

Become a Chamblee Men's Lacrosse Booster Club Sponsor

Support your local student athletes!

The Chamblee High School Lacrosse Booster Club is asking local businesses for their support and to consider being official team sponsors. Without community support from people like you, our school's program will not have enough to support our student-athletes for the expenses such as additional coaching needs, training, equipment, and travel expenses. It helps us build a solid program that can continue to rise and compete with more established area schools. Every dollar raised is used solely for the benefit of the Chamblee lacrosse program.
